

Dear Lord,

As Donnie has left us for the peace of heaven and for a joyous reunion with his earthly father, Don, and his beloved Opa, we ask that your comforting spirit may touch those of us who are left to mourn,  
me and my family;  
his mother Christa;  
his sister and brothers, Dawn, David, and Steven and their families;  
his children, DJ, Shannon, Matthew, Marcus, Kristina, and Bo; their mothers;  
and his many friends and relatives.

Thank you for the time we had with him. We will remember him unto eternity.

Bless and keep us all.

In thy holy name we pray.

Amen.
